Subject: Semi-annual Chemical Fume Hood and Biosafety Cabinet Testing

The Semi-annual Chemical Fume Hood and Biosafety Cabinet Testing will be performed by B&V Testing this Thursday and Friday, 12/4/08 and 12/5/08.

For secured laboratory areas, please let me know if there are any times when the labs will not be available to B&V Testing or what times are available for issuing security badges.

Thank you,
